

# SJQ's \$7 Million Scholarship Challenge

To celebrate SJQ's highest rankings ever and help us welcome in the best students regardless of their financial status, President Taylor Randall has pledged to **double** all scholarship donations up to \$3.5 million over the next five years. We invite you to make a gift to support College of Law scholarships, matched dollar-for-dollar. Join us for this incredible opportunity to raise \$7 million in scholarships, with every penny of your gift doubled and going directly to our students.

## Why give to SJQ Scholarships?

### Scholarships Provide Access to Underrepresented Students

As the only public law school in Utah, SJQ is committed to creating a community where those who have the capacity to be successful in the legal profession have the opportunity to do so. Scholarships enable us to attract and retain excellent students regardless of their financial situation. This ensures a pool of robust, diverse and dynamic legal experts enter the profession and our communities.

### Scholarships Support Public Interest

We want all SJQ graduates to make career decisions that afford them the greatest satisfaction and fulfill their desires to contribute to their communities – not based on what job will repay their debt most quickly. Reducing students' debt burden through scholarships not only ensures more alums are able to commit to careers in public interest and volunteer pro bono work, but also improves their mental health and well-being.

### Scholarships Ensure Excellence

Competitive scholarships allow us to attract and retain exceptional law students, and having law school classes with high median undergraduate GPAs and LSAT scores leads to a higher national ranking in U.S. News. Given many employers consider law school rankings when making hiring decisions, increasing our rankings increases the value of an SJQ degree for all alumni.

We invite you to **make** a gift to your existing endowed scholarship or create a new one and we'll **match** it. For example, if you contribute \$25,000 to your scholarship to be invested in the endowment, we will match it with \$25,000 in scholarships in your name to be awarded now. Put simply, invest in the *future* of SJQ and we'll match your support in the *present*.
